New Hampshire's Second Congressional District covers the western half of the state, stretching from the Merrimack Valley in the south, west to the Monadnock Region, and north to the Upper Valley and the Canadian border. It includes all of Coos, Grafton, Sullivan, and Cheshire Counties, and parts of Hillsborough, Merrimack, Belknap, and Rockingham Counties. The nearly 180 towns, cities, and locations in the Second District help to make the Granite State truly unique. [Click here](#) for a complete list of the communities in the Second District.
